

CHESTERZOO

Annual Conservation Symposium

LABELLING SUSTAINABILITY

Saturday 24 October 2015

10.15am – 5pm (Doors open at 9.30am)

Chester Zoo's Lecture Theatre

Our annual symposium will look at the **truth behind the labels** and what it really means to be **certified as sustainable**.

We'll discuss whether sustainability labelling can really help wildlife and what more we and the food industry could do to protect the planet.

Speakers include representatives from the **Marine Stewardship Council, Natural Resources Wales, Marks & Spencer, Forest Stewardship Council, Blue Ventures** and **Chester Zoo's conservation team**.

We'll also be giving you more information about how you can get involved with our **Palm Oil challenge**.

This event is perfect for anyone interested in wildlife conservation or sustainable food. Any funds raised through this event will go to Act for Wildlife to support projects in the wild.

Price

£25 per person (includes tea and coffee and access to the zoo at lunchtime)

£5 discount for Chester Zoo, BIAZA and EAZA members, students and concessions.

Due to the popularity of this event, advanced booking is required.

Early Bird Price:

10% Discount if you book before 14 September

NEW FOR 2015

The Green Gold Conspiracy

Saturday 24 October, 18.00 – 20.30
Bembe Kitchen, Chester Zoo

£38 per person (includes a 3 course meal)

Join us after the symposium for a brand new and daring theatrical experience made by Chester Zoo and Coney.

The Green Gold Conspiracy is an adventure game served over a three-course dinner in the company of new friends.

We're exploring the science behind food security and environmental sustainability by putting you at the heart of a story where a conspiracy is unfolding... and it's up to you to find the solution.

You'll have some challenging choices to make, in a seriously entertaining (and delicious!) experience.

Tickets for this event are strictly limited and go on general sale on 3 September so to avoid disappointment
