

Animal Welfare: Emotion, Cognition & Behaviour

**ANIMAL
CONCEPTS**

September 24th - 26th, 2012

Edinburgh Zoo

Animal Welfare: Emotion, Cognition and Behaviour

Topics will range from animal emotion, animal minds, play, personality, pain assessment, human-animal relationships, sleep & resting, looked at in a large variety of species, from mammals to birds and fish.

Three panel discussions have been scheduled to discuss together.

The seminar features 7 international speakers from different universities and organizations.
