CALL FOR PARTICIPATION

The 14th IEEE International Conference on Automatic Face and Gesture Recognition (FG 2019) will be held in Lille, France, 14 -18 May 2019. Its broad scope includes: advances in fundamental computer vision, pattern recognition and computer graphics; machine learning techniques relevant to face, gesture, and body motion; new algorithms and applications. Topics of interest include but are not limited to:

- Face recognition & biometrics
- Face analysis and synthesis
- Body action and activity recognition
- Psychological and behavioral analysis
- Computer vision and machine learning in affective computing and multi-modal interaction
- Gesture recognition, analysis and synthesis
- Technologies and applications

Submissions

Paper submissions may be up to eight pages in conference format. Papers longer than six pages will be subject to a page fee for the additional pages (two max). Submissions to FG 2019 should represent original research work that is not under review elsewhere. All submissions will be rigorously reviewed and should clearly demonstrate improvements over the existing state of the art. Papers accepted and presented at FG 2019 will be submitted for inclusion into IEEE Xplore. Submission details are available on the conference website.

Workshops, tutorials and challenges

Workshops, tutorials and challenges will be held on May 14 and May 18. Have a look at the conference website for instructions regarding workshop and tutorial proposals.
